IO staff meeting notes

- [REDACTED] Rick reported out that the decision on the pending marijuana 24(c) should be coming out soon
- [REDACTED] Presentation by FL fumigation school team (attached and presented by Dana F and Shalu Shelat; good job done by both!)
- [REDACTED] Topics for discussion at next week's OECD working group on pesticide (attached and presented by Goodis)
- [REDACTED] Rick went over the Risk Management Forum nominations – Billy will represent the exposure side and tox side is still waiting for nomination/decision
- [REDACTED] Arnold: Draft IT strategy has been reviewed by the IO – description of the gaps is accurate but need to add information management; reflection of good ideas and strong effort by OPP users/staff; Arnold shared the next steps (will make copy for you)
- [REDACTED] ITRMD: Any staff interested in joining OPP's EVS committee, please let your branch chief know. The committee is aimed to find ways to improve the areas where OPP had low EVS scores.
- [REDACTED] Rick: Political leadership meeting between EPA, the Services, USDA, and CEQ to discuss the policy around possible ESA reform on how the agencies interact with each other and begin to rethink interim approaches to arriving at the scientific decisions
- [REDACTED] FEAD -- SFIREG meeting 6/20-27

Hi All,

Here are the agenda, Upcoming Activities Report, and materials for one of the agenda topics: Recruiting and Selecting Risk Assessment Forum Members (these 4 are the same as last week).

Thank you,

Shannon
